BRINGING YOU THE BEST

AEP Industries has been awarded the “Outstanding Supplier Award” at a recent Reinhart Food Service conference. This is a result of a lot of hard work by the Brokerage community, as well as the R3R houses involved.

The combined effort from AEP and everyone’s excellent service and quality of products are what made this achievement possible.

Congratulations to all!  
Let's work on making it a REPEAT performance in 2016/2017.
